

TENNESSEE GENERAL ASSEMBLY
FISCAL REVIEW COMMITTEE

FISCAL NOTE

HB 1172 - SB 1300

March 26, 2019

SUMMARY OF BILL: Creates the Tennessee Office of Cooperative Disability Investigation, which would be attached to the Governor's Office, and exist from July 1, 2019, through July 21, 2021.

ESTIMATED FISCAL IMPACT:

NOT SIGNIFICANT

Assumptions:

- The United States Congress Bipartisan Budget Act of 2015 requires the Acting Commissioner of the Social Security Administration (SSA) to expand the Cooperative Disability Investigation (CDI) program to cover all states and territories no later than October 1, 2022.
- There are currently 43 units covering 37 states, the District of Columbia and the Commonwealth of Puerto Rico. The SSA estimates initial startup and operating expenses of up to \$1,200,000 and annual operating costs of \$600,000 to \$800,000 per unit.
- The proposed legislation stipulates that all fiscal responsibilities needed to fund and operate the division, including, but not limited to, salaries, overtime, insurance benefits, retirement benefits, paid leave, and operating costs, must be provided by the United States social security administration.
- It is assumed the courts can handle any increases in caseloads utilizing existing resources; therefore, any fiscal impact to state or local governments is estimated to be not significant.
